Our home has:

- ▶ The best possible residential and residential dementia care, offered by our highly trained staff.
- ▶ Pleasant garden areas for our residents to relax and enjoy the fresh air.

- ▶ A large comfortable lounge area.
- ▶ An indoor garden café for residents and their loved ones to enjoy.

We understand that finding a care placement can be challenging, but together we will arrange a care assessment to learn about your loved one, and following their admission, work with you to create a living care plan that will ensure that all their needs are met.

We also offer:

- ▶ A dedicated activities coordinator who ensures that residents enjoy a wide range of interesting and stimulating activities. Residents are encouraged to continue with their favourite pastimes and hobbies to enhance their wellbeing.
- ▶ A warm family environment with a longstanding, stable staff team.
