

Longmoor Lodge Care Home

Longmoor Lodge is a modern, purpose-built home situated close to Long Eaton town centre and within easy access of shops and other facilities. The home is also close to the A52 and accessible from Nottingham and Derby.

Longmoor Lodge specialises in providing a homely environment for elderly residential residents and those with dementia. To ensure our residents receive the best care, we employ dedicated staff and encourage residents to participate in the formation of their individualised care plan. This means that we are well prepared in our aim to meet all resident's care and social needs.

Our home offers:

- ▶ A variety of single, adjoining and twin companion rooms. All rooms are modern, en suite, tastefully decorated and comfortable with large windows, a TV point with a nurse call system and fire detection for safety. We encourage residents to personalise their rooms with their own belongings so they feel at home.

- ▶ Two dining rooms.
- ▶ Three lounges which offer a variety of settings for activities, TV, music or reading.
- ▶ A quiet family room where visits can take place in privacy.
- ▶ Pleasant grounds easily accessible by all our residents. Residents particularly enjoy the grounds in the summer months for sunbathing, barbecues and to take part in our Summer Fayre.

Our home also has:

- ▶ An activities organiser to help residents pass the time. To keep residents as active as possible, daily activities are organised and displayed on the resident's notice board.
- ▶ Regular outings including pub lunches and bingo and we encourage all residents to get involved whether it's for crafts, board games or even just a walk round the garden.
- ▶ Regular entertainers who visit the home.

- ▶ An enjoyable and sociable dining experience for all. Residents can choose whether to eat in their own rooms or in either of the dining rooms. We offer a large selection of quality balanced meals at breakfast, lunch, dinner and supper. The catering staff make all meals freshly to order.
- ▶ A separate kitchen for residents and relatives to use.
- ▶ Weekly visits by a hairdresser to our home's salon.
- ▶ Access to each resident's own GP, visiting chiropodist, physiotherapist and an occupational therapist ensuring continuity of care.
